

The Caseload Report 03: W-2 Caseload Detail Report has been enhanced to detail participants' length of time in each placement. In addition to the length of time, the report now features a cover page and streamlined formatting to allow report users to easily export to Excel. Report users can expect to see these features on other reports as we continue to update the report catalogue.

Report Location: Public Folders/ DCF/Wisdom/ Employment Programs/W-2 Case Management/Caseload Reports
